I have to review the third part of the document and compare notes with others who have reviewed it. Will try to finish mid-week next week.

I apologize if you have submitted your final input, but I am unable to find record of such in my case file and cannot open the etask. Have you delivered DO's final determination for the review of Moscow Memoir by James Holbrooke? If not, please provide an anticipated dated of completion. I need to re-engage both the author and my DOD counterpart.

Regards
